Ser	Assignment Topic	Main Focus	Assigned to
1.	ESIA of a Proposed Industrial Park in Bangladesh	Air, water, soil, ecology, livelihoods, mitigation	20223006 1 20233006 2
2.	ESIA of a Proposed Textile Dyeing and Garment Industry	Effluent, air pollution, occupational health, community impacts	20233000 1 20233006 0
3.	ESIA of a Proposed Highway Development Project	Land acquisition, noise, air pollution, biodiversity, traffic	20233000 5 20233005 8
4.	ESIA of a Proposed Bridge Construction Project	River ecology, water quality, sedimentation, navigation, resettlement	20233000 8 20233005 7
5.	ESIA of a Proposed Wastewater Treatment Plant	Odor, sludge, water quality, health and safety, community concerns	20233000 9 20233005 6
6.	ESIA of a Municipal Solid Waste Management Facility	Waste collection, landfill impacts, groundwater, odor, livelihoods	20233001 0 20233005 2
7.	ESIA of a Proposed Landfill Site	Site selection, leachate, methane, groundwater and social impacts	20233001 1 20233005 1
8.	ESIA of a Proposed Thermal Power Plant	Air emissions, thermal pollution, noise, occupational health	20233001 3 20233005 0
9.	ESIA of a Solar Power Plant in Agricultural Land	Land-use change, biodiversity, livelihoods, cumulative impacts	20233001 4 20233004 9
10.	ESIA of a Proposed Economic Zone in Bangladesh	Industrialization, land acquisition, employment, ecosystems	20233001 5 20233004 8
11.	ESIA of a Proposed Housing/Residential Development Project	Drainage, traffic, water demand, waste, community impacts	20233001 6 20233004 5
12.	ESIA of a Proposed Airport Expansion Project	Noise, air quality, land acquisition, bird hazards, traffic	20233001 7 20233004 4
13.	ESIA of a Proposed River Port Development	River ecology, dredging, water quality, navigation and livelihoods	20233001 8 20233004 3
14.	ESIA of a Proposed Brick Manufacturing Cluster	Air pollution, agricultural land, energy use, health impacts	20233002 0 20233004 2
15.	ESIA of a Proposed Hospital Development	Medical waste, wastewater, traffic, occupational health	20233002 1 20233004 0
16.	ESIA of a Proposed Tourism	Ecosystems, local communities, waste, water resources	20233002

	Processing Industry		5 20233003 7
18.	ESIA of a Proposed Cement Manufacturing Plant	Dust, emissions, quarrying, noise, traffic	20233002 6 20233003 6
19.	ESIA of a Proposed Industrial Waste Recycling Facility	Hazardous waste, worker safety, pollution prevention	20233002 8 20233003 4
20.	ESIA of an Urban Drainage and Flood-Control Project	Hydrology, wetlands, land acquisition, downstream impacts	20233002 9 20233003 1
21.	ESIA of a Proposed Science and Technology University in Bangladesh	land use, water resources, waste management, biodiversity, community health and safety, traffic, and socioeconomic conditions	20223004 4 20233003 0

Assignment On EWCE 431 (Environmental and Social Impact Assessment)
